PROFILE

Future Front-End Web Developer learning and building websites using HTML, CSS, and JavaScript. Currently developing practical skills through personal portfolio projects and working toward becoming a professional web developer and freelancer.

SKILLS

- HTML
- CSS
- JavaScript
- Responsive web design
- Basic website development

PROJECT

Personal Portfolio Website

Built and improved a personal portfolio website using HTML, CSS, and JavaScript. The project includes navigation, skills sections, project links, contact features, dark/light mode, a typewriter effect, and interactive buttons.

LEARNING GOAL

To continue improving my front-end development skills and become a professional web developer and freelancer.
